

**Subject: Last Time Buy Notice for S-Type Oscillator
Parts beginning with “SL”**

Date: May 29, 2008

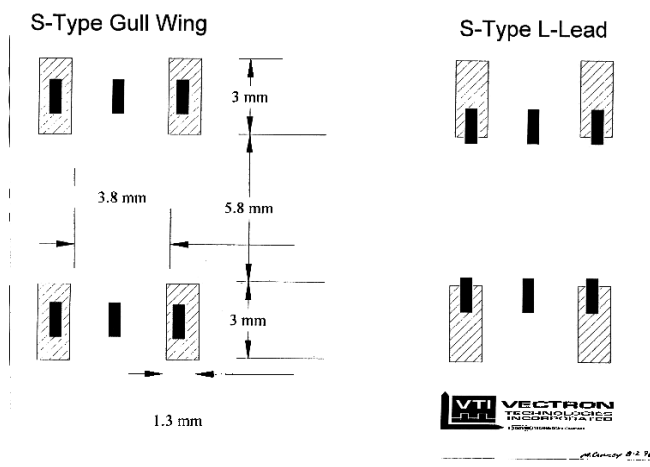

From: John Fortune
Vectron Product Line Manager

To: Vectron Customers and Vectron Sales Team

Dear Customer:

This letter serves as the last time buy notice for any S-Type VCXO oscillator part number that begins with the first two letters “SL” designating an “L-Lead” part. This notice does not apply to the “SG” or “ST” parts which designate “Gull Wing” or “Through Hole” leads respectively.

S-Type Gull Wing and L-Lead Lead Placement on Industry J-Lead Footprint

The last date to order these parts will be Aug. 31, 2008 and delivery should be concluded by December 31, 2008. Vectron cannot guarantee availability of this product beyond these respective dates.

If you need any additional information regarding this notification, please contact your Vectron Sales Representative or myself.
